

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 1063

IN THE MATTER OF:

Served July 9, 1970

Application of Alexandria,	)	Application No. 638
Barcroft and Washington	)	
Transit Company for	)	Docket No. 221
Authority to Increase Fares	)	

On June 22, 1970, A. B. & W. Transit Company, Inc., filed its WMATC Tariff No. 40 setting forth a new schedule of interstate fares to be applicable to a completely revamped system of fare zones. The new fares were to become effective July 26, 1970.

Notice of the proposed new fares and fare zone system has been posted on A. B. & W.'s buses. By statute, any person interested in protesting these charges should do so, in writing, to the Commission no later than 10 days before the effective date of the tariff, in this case July 16, 1970.

Pursuant to Order No. 946, the staff has issued a study of A. B. & W.'s existing fare zone system. This proceeding appears to be the proper opportunity to complete the Docket 198 Study of that system.

THEREFORE, IT IS ORDERED:

1. That this matter be, and it is hereby, set for hearing on Monday, July 27, 1970, at 10:00 A.M. in the hearing room of the Commission, Room 314, 1625 I Street, N.W., Washington, D.C.

2. That applicant post notice in its buses advising the public of the time and place of hearing.

3. That applicant publish notice of the hearing in a newspaper of general circulation in the Metropolitan District, once, at least 10 days prior to July 27, 1970.
